6. [] LIAISON Following my discussion today with [] O/SA/DO/O, I called Skip Endrus, House Judiciary Committee staff, and explained that the check for any information concerning Nazi war criminals that he was planning to ask the Agency to conduct would be very difficult since the information would have involved World War II and predecessor organizations. I suggested that he recontact the Immigration and Naturalization Service and urge that they screen their files concerning those names of interest to the Committee and then clear any documents of Agency interest with the Agency for release to the Committee. He said he would discuss this with Immigration and Naturalization Service and that the I&NS people would be calling me. I subsequently filled [] in on my conversation.

25X1 7. [] BRIEFING Called Steve Vaccariello, in the office of Senator S. I. Hayakawa (R., Calif.), and discussed with him
25X1 [] conversation earlier this month with Senator Hayakawa concerning the Senator's interest in coming to the Agency for a briefing as suggested by former Director George Bush. I told Mr. Vaccariello that we would like to set up a breakfast for the Senator that Admiral Turner would host and asked if he could suggest some dates to work with. Vaccariello said the Senator was not in today; however, he would check with him early next week and call me back.

During this same call, I was asked by Debra, in Senator Hayakawa's office, the name of our Director of Personnel and the address for a constituent who wanted to write to the Agency regarding employment opportunities. This information was given to her.

25X1 8. [] CONSTITUENT Received a call from Christopher Lehman, in the office of Senator Harry F. Byrd (Indep., Va.), who asked, on behalf of a constituent who would like to write to Admiral Turner, for the address of the Agency. The information was provided to him.

25X1 9. [] LIAISON Met with Robert Dockery, Senate Foreign Relations Committee staff. Briefed him on compartmented clearances which he had recently received and obtained from him the appropriate secrecy agreements.

25X1 10. [] LIAISON Met with Charles Snodgrass, House Appropriations Committee staff, and received from him an accumulation of classified trash which will be brought to Headquarters for destruction.

25X1 11. [] LIAISON Received a call from Tom Hughes, in the office of Senator Claiborne Pell (D., R.I.). Hughes said that a Mr. Robert Low, who was an acquaintance of the Senator's during the war, has been hospitalized at the Sloan/Kettering Cancer Center and is in serious condition. (See Memorandum for the Record.)

12. [] LIAISON Delivered to Martha MacDonald, Senate Select Committee on Intelligence staff, for Bill Miller, Staff Director, a letter from Robert Gambino, Director of Security, regarding prospective Committee employee, Mr. Hampton Joel Rector, and a letter to Mr. Miller from Mr. Knoche regarding the use of outdated photography for geological purposes.

13. [] LIAISON Met with Elliot Maxwell, Senate Select Committee on Intelligence staff, and gave him an unclassified 1975 OGC opinion on CIA's inability to assist the Law Enforcement Assistance Administration.

14. [] LIAISON Met with Bill Miller, Staff Director, Senate Select Committee on Intelligence, and discussed several matters. Miller verified that Senate Select Committee on Intelligence staff members Tom Moore, Ed Levine and Hal Ford did have a need to know additional information on a sensitive Agency program. Mr. Dirks, DDS&T, is briefing these staff members on 28 March.

We also discussed the impasse between the Agency and the Committee regarding the [] statement. Miller remains optimistic that an accommodation can be worked out.

I also gave Miller the answers to two follow-up questions from the 2 February covert action briefing. Regarding S. 305, Miller again reiterated his opinion that the best way to proceed was to work through the four members of the Senate Select Committee on Intelligence who are also members of the Senate Committee on Banking, Housing and Urban Affairs.

I informed Miller that Admiral Stansfield Turner would announce on 28 March that Robert Richardson Bowie would be named Deputy to the Director for the National Intelligence Officers. Miller said that he was a good friend of Mr. Bowie.

15. [] LIAISON Ted Ralston, Senate Select Committee on Intelligence staff, called to cancel his meeting set up for him today to review 38 DDO "Blue Stripe" reports. We rescheduled this for 29 March.

16. [] ADMINISTRATIVE - DELIVERIES Delivered to Jean Evans, Senate Select Committee on Intelligence staff, a pros and cons paper on the open budget.

25X1 17. [] LIAISON Met with Stan Taylor, Senate Select Committee on Intelligence staff, and discussed Committee action on S. 305. Taylor is seeking some adjustment in the Agency's proposed amendment and then he and Hal Ford, of the Committee staff, will brief Senators Jake Garn (R., Utah) and Adlai E. Stevenson (D., Ill.) on the amendments in order that these two Senators can attempt to get the amendments passed in the Senate Committee on Banking, Housing and Urban Affairs.

25X1 Taylor and I also discussed at length the problems with the draft [] I expressed my opinion that the Agency was so opposed to one sentence in the statement that we would invoke the S. Res. 400 procedures to prevent publication if necessary. We agreed, however, that Mr. Knoche's letter of 24 March 1977 should not be considered as official notification in this sense.

25X1 18. [] ADMINISTRATIVE - DELIVERIES Delivered to Tom Moore, Senate Select Committee on Intelligence staff, a copy of a letter from Mr. Knoche to Senator William D. Hathaway (D., Maine) concerning a budget item discussed at the 22 and 23 March budget briefing. Moore agreed to bring this to the immediate attention of Senator Gary Hart (D., Colo.).

Moore also requested a briefing for Ed Levine and himself on the Clandestine Corps and suggested 9:30 a.m. on 28 March for the briefing. I told Moore I would get back to him on this time.

25X1 19. [] LIAISON I asked Tom Moore, Senate Select Committee on Intelligence staff, to be in touch with Stewart Price, of Senator Gary Hart's (D., Colo.) personal staff, regarding an inquiry by Price about files CIA keeps on Americans. The Senate Select Committee on Intelligence was provided a letter on this subject, and Moore will draw upon this letter in satisfying Price's interests.

25X1 20. [] ADMINISTRATIVE - DELIVERIES Delivered a copy of the Follow-on Report on DoD General Restrictions Applicable to NSA to James Fellenbaum, Senate Appropriations Committee Staff.

ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 25 March 1977

1. [] LIAISON [] DIA, called to advise that General Samuel V. Wilson's, Director of DIA, budget appearance before the Defense Subcommittee, House Appropriations Committee, had been scrubbed and a prepared statement will be inserted in the Committee record instead.

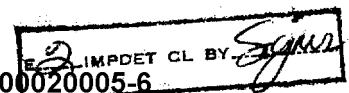

2. [] BRIEFING Accompanied [] OSR, to a briefing of Senator Howard Metzenbaum (D., Ohio) on Soviet strategic forces. The meeting with the Senator was interrupted by a roll call vote but he was most interested in the subject, especially the question of US/Soviet parity in strategic forces. He was most appreciative of our time in coming to see him and said he might like to talk with us again. I told the Senator that we would be delighted to meet with him at any time he wished and extended an invitation for him to come to the Agency for breakfast or lunch at which time he could meet Admiral Turner and we would assemble several analysts with whom he could discuss further interest in this and other topics. The Senator said he might like to do that and we left the initiative with him.

3. [] LIAISON Hank Welch, in the district office of Senator Orrin Hatch (R., Utah), called and requested a copy of the publication entitled, "Potential Implications of Trends in World Population, Food Production and Climate," be sent to him and also to the Senator's office here in Washington. I said I would do this.

4. [] LIAISON Took a call from Bill Miller, Staff Director, Senate Select Committee on Intelligence, who gave me a preliminary report on a sensitive security incident. (See Memo for the Record.)

5. [] BRIEFING Called Norvill Jones, Senate Foreign Relations Committee staff, and alerted him to the appointment of Professor Robert Bowie as the new National Intelligence Officer. We also went over details for the 31 March 1977 briefing of the Committee. Staff who will be in attendance are Jones, Bob Dockery, Bill Ashworth, and Steve Bryen. We also discussed the possible attendance of Pauline Baker, also of the staff, at the briefing of the African Affairs Subcommittee scheduled for 29 March. The problem is that Ms. Baker's clearances have not been granted as yet. I told him we would try to get her an ad hoc clearance. We also discussed the attendance of Bruce Van Voorst, of Senator Dick Clark's (D., Iowa) personal staff, and decided that since the briefing would include compartmented material, Van Voorst should not attend. We also agreed that the covert action update briefing would cover events beginning with the last update briefing. Jones also agreed that the 31 March briefing would be the best time to bring up the Case Act reporting and that the representative from Department of State would attend. Jones also mentioned that because of the edict by Senator Howard Baker (R., Tenn.), all committee meetings this week may have to be cancelled and would let us know.

6. [] LIAISON Called Jack Brady, House International Relations Committee staff, and went over details for the 29 March appearance of the Director before the Committee. I also alerted him to the appointment of Professor Robert Bowie as the new National Intelligence Officer. I also mentioned to him that we did not plan to sweep or monitor the hearing room prior to the 29 March meeting since no details of specific covert actions were to be discussed. He had no problems with the arrangements.

7. [] LIAISON Tom Smeeton, House International Relations Committee staff, called to request the latest edition of the National Basic Intelligence Factbook and an Indian Ocean Atlas which have been forwarded.

8. [] LIAISON Spoke with Bill Miller, Staff Director, Senate Select Committee on Intelligence, and told him we still wanted to get a cable out to our [] authorizing them to brief the Ambassador on the briefcase incident. I told him the text of the cable which cited the fact of the loss and its recovery, that the Committee felt that after a preliminary check that no compromise occurred, that the Ambassador only would be briefed and that the Committee did not intend to notify the other agencies of the loss. Miller agreed to the suggested text.

9. [] BRIEFING Accompanied []
DDI/CPS, and [] ORPA, to a briefing of Representative Edward
Derwinski (R., Ill.). The briefing covered hot spots throughout the world.
(See Memo for the Record.)

10. [] BRIEFING Norvill
Jones, Senate Foreign Relations Committee staff chief, called to ask about
the status of clearances for staff members for the briefing of the Senate
Foreign Relations Committee Subcommittee on African Affairs, set for
28 March, particularly Bob Dockery, (candidate for a compartmented
clearance) and Pauline Baker. He also said he had a request from
Senator Dick Clark (D., Iowa) for Senator Clark's personal staffer Bruce
Van Voorst to sit in, but he wanted to defer going to Chairman John Sparkman
(D., Ala.), and ranking minority member Senator Clifford Case (R., N.J.),
for their approval--per our agreement with the Committee on participation by
personal staffers in briefings--until we could let him know if compartmented
information would be included, since Van Voorst's clearance is only for top
secret material. Jones recognized our basic problem about allowing a
personal staffer to participate. [] CPS, judged compartmented
information might be included in the briefing. [] OLC reported
that he had given Dockery his briefing for compartmented clearance purposes
this same afternoon (clearance just granted), but that Pauline Baker, had
never been cleared before and probably would not be cleared by 28 March.
I referred the matter to [] OLC.

In talking with Jones, I had mentioned that [] was a former
Agency colleague. Jones was surprised, said he had not known this. I
later called [] and advised him of this exchange; he said he does
not broadcast his Agency past but makes no secret of it, and had no difficulty
with my advising Jones of it. [] was unhappy to learn that he would
probably not be allowed to participate in the 28 March briefing; I referred him
to the Committee for advice on that.
